Zoning and regulations [How do you rate your knowledge BEFORE farm school on the subjects we covered?]

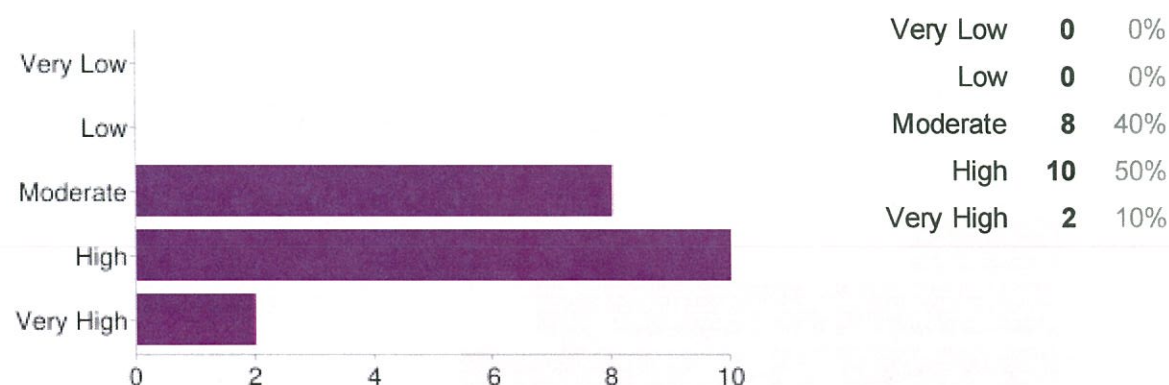

Business structure and basic business forms [How do you rate your knowledge AFTER farm school on the subjects we covered?]

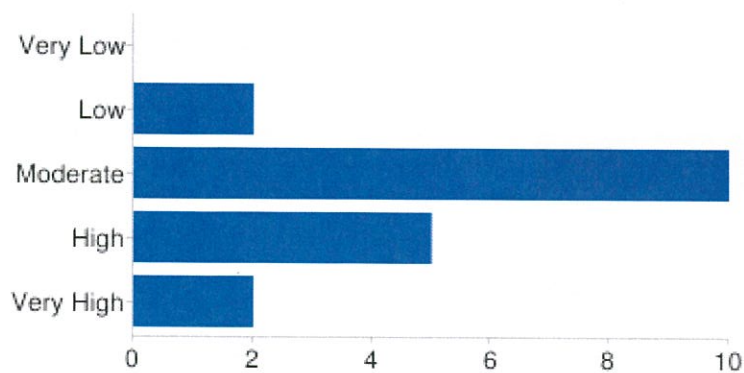

Leasing farm land and lease agreements [How do you rate your knowledge AFTER farm school on the subjects we covered?]

Insurance and protecting your business [How do you rate your knowledge AFTER farm school on the subjects we covered?]

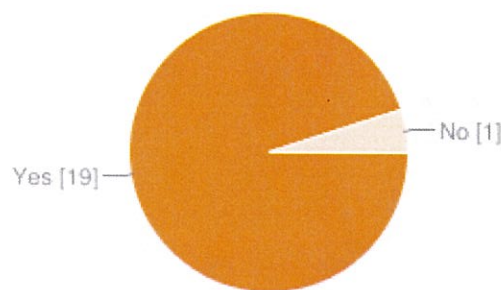

Zoning and regulations [How do you rate your knowledge AFTER farm school on the subjects we covered?]

Very Low	0	0%
Low	2	10.5%
Moderate	10	52.6%
High	5	26.3%
Very High	2	10.5%

Did session 2 meet your expectations?

Yes	19	95%
No	1	5%

How can we improve this business session?

I think the session should be spread out over two classes to cover some of the areas in more detail

use an example business through the presentation to provide what a real life situation looks like.

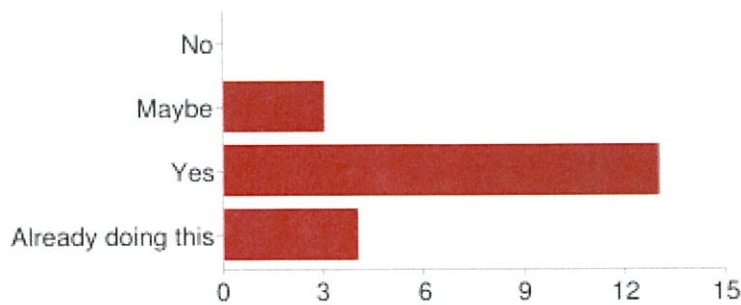

More time is needed to cover the topics in this session. Quality of the material was excellent, but unable to cover all the material

More tax information

a little more zoning info

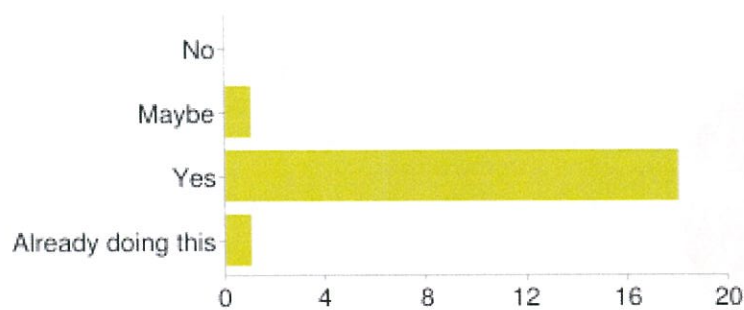

I expected a little more tax information
